## Freak Accident Takes Life Of Carol Bardin

Early Sunday morning a car smashed into the bedroom where Carol Bardin, 17, was sleeping, killing her and leaving her sister, Mrs. Velma Gillard, who was sleeping two and one half feet away, uninjured.

The freak accident killed the Pahokee High School Junior at her home which is situated on the right angle turn in U. S. 441 just south of the Canal Point bridge.

There was no evidence of an attempt by the driver, John B. Zoller, II, to stop his speeding vehicle, said Trooper William Burroughs, Florida Highway Patrol. Charges of manslaughter has been placed against Zoller, a 29 year old resident of Bradenton, Florida.

Miss Bardin had just been installed as worthy advisor of the Order of Rainbow, Assembly No. 16, hours before her death. Mrs. Velma Gillard

was visiting her sister from Brunswick, Ga. Miss Bardin's parents, Mr. and Mrs. Robert Van Bardin, were also in the house, in an adjoining bedroom, when the auto struck.

Also surviving are, Mrs. Kenneth Happe, a sister, Brunswick, Ga., Grandparents, Mrs. Robert Bardin, Mr. and Mrs. J. W. Sills, Waycross, Ga.

Services were held in Canal Point and graveside services were held Wednesday in Waycross, Ga., where interment will take place,

Active pallbearers were, Richard Bachelor, David Larramore, Gerry Peacock, Buzzy McKinstry, Steve Maxson, and Eddie Upthegrove.

Honorary Pallbearers were Dennis Maynor, Tim Gillis, Richie Maynor, David Carraway, Billy Weathers, Lee Dudley, Barry Rainari, Joe Erby Thompson, Jeff Threlkeld, Billy Scroggins, Jonnie Yates, Barry Duke and Bill Howard.

Only about a month ago a car had been destroyed that was parked at the side of the Bardin bedroom. The car was Carol's and an replacement had been purchased and was parked behind the house. The Zoller car hit the new car after coming through the bedroom and knocking down three outside walls. Before hitting the house, Zoller struck a car which was pushed into a neighboring house but not injuring the occupants. Zoller then glanced off a tree, just missing a utility poll before crashing into the Bardin home.

Zoller was reported to have been in route between Okeechobee and Lakeport.

## Dr. G. H. Snyder Is Added To Staff

The Everglades Experiment Station is happy to announce the addition of a research staff member. Dr. George H. Snyder joined the staff on April 20 as Assistant Soils Chemist.

Dr. Snyder was born in Evanston, Illinois but spent most of his public school years in Granville, Ohio. He recently completed all requirements for the Ph. D. degree from Ohio State University.

Dr. Snyder is a member of several scientific and honor societies, and the Presbyterian Church. He now resides at 582 S. E. 6th Drive, Belle Glade. We welcome him to the Experiment Station and to the community.

### KINDERGARTEN DONATES TO LIBRARY

*Pre-schoolers completed their community project of raising money for the Library Fund Drive. With Librarian Betty Harris, L to R are Deborah Socarraz, Jeff Pearce and Louise Herring.*

Some of them watered flower beds. One of them scrubbed the front porch for his mother. Beaugwynn Wigley cleaned out her Daddy's sock drawer.

All of them, kindergarten and pre-kindergarten pupils at the First Baptist Church Kindergarten, worked to earn their own money for a project they chose themselves to undertake.

Having decided to give a book to the new Municipal Library they had all watched being built in the Park, they worked at odd jobs at home. The pennies, nickels, dimes, and quarters they earned they brought to the Kindergarten, and placed in their "Library" bank.

At the end of two weeks representatives from each of the four classes went to the Library to present $8.81 to Mrs. Bettie Harris, and to have their picture taken with the Librarian in front of the old Library building.

According to Mrs. David Motes, Principal of the Kindergarten, the four and five year olds went about earning the money for their project with enthusiasm, and originality.

## 282 Seniors To Graduate In Glades Area

Two hundred and eighty two Glades seniors will graduate in June.

Palm Beach County graduates total 2,983. Last year 2785 students graduated in the county and the 1967 graduating class will more than treble the number of ten years ago when only 935 graduated.

Belle Glade High School wil graduate 111 this year, five more than last year and 50 more than in 1957.

Lake Shore High School dropped four this year, graduating 84, more than three times the 25 graduates of 1957.

Pahokee High School also declined in number of graduated with 58 compared to 61 last year. This is 16 more than the 1957 total of 42 graduates. East Lake High School, which did not graduate any in 1957 will have 29 graduating, two more than in 1966.

## Commission Reviews Lease

The Belle Glade City commission Monday agreed to advertize for bids on the rental of the municipal Golf Course and Clubhouse facilities.

The commission, after several hours of workshop sessions on the lease agreement reviewed several terms at their Monday night meeting. The commissioners determined that the lease should run for two years with three one year renewal options. The would guarantee the operation of the facilities to the lesee for five years if he wished to take the one year options.

The lease requests that the lessee try to obtain a professional golfer.

## Miss J. Averill Elected Pres. At Rosarian

Jodie Averill, daughter of Mr. and Mrs. Grant E. Averill has been elected President of the student body at Rosarian Academy, West Palm Beach.

Jodie, who will be a senior next year, has served as President of her sophomore and junior classes at the academy.

Jodie is also a member of the Rosarian Chorus which recently returned from Boston, Mass., where they gave a spring concert.

## Florida Drought Damage Felt

| Month | 1967 Rainfall | 44-year Ave. Rainfall | Cumulative excess plus or deficit minus for year |
|---|---|---|---|
| Jan. | 1.01 | 1.89 | minus 0.88 |
| Feb. | 2.44 | 1.82 | plus 0.26 |
| Mar. | 0.35 | 2.89 | minus 2.77 |
| Apr. | 0.13 | 3.06 | minus 5.70 |

The vegetable industry's indebtedness to irrigation is reflected in increased tonnage shipped the week of May 1-6 over the previous week by about 12 percent (excluding melons), according to G. Norman Rose of the Florida Crop and Livestock Reporting Service.

Extremely dry weather continued in South Florida but light to moderate showers fell in north and north central portions. The Gainesville farming area had beneficial showers as did Sanford and Zellwood. East Palatka had up to 1 inch but most of the Hastings potato area received only very light amounts to none at all. Sunday, the 7th, was very windy, drying top-soils quickly and whipping foliage.

Beans, cabbage, lettuce, and squash shipments declined. Beans will continue principally from North Florida as Pompano nears completion. The Everglades are harvesting light supplies. Pole beans are available at Plant City and in Gadsden County.

Celery harvest is expected to start a gradual decline after this week in the important Everglades; Sarasota may finish this week; Oviedo is expected to continue through May; but Zellwood and Island Grove are expected to harvest through June. Quality is good and sizes are favorable.

Sweet corn harvest is in its peak level in the Everglades—the only source this week. Shipments at 887 carlots were up from the previous week's 693. Zellwood corn is in good condition, and is expected to make a light start next week. The 6,881,000 crates expected is 7 percent less than the amount maketed last spring. June production is expected primarily from Central Florida.

Carrots, eggplant, escarole, chicory, lettuce, and radishes continue available.

### Market Report

Steady prices on all classes of cattle were reported Monday at the Glades Livestock Market by Pete Clemons, Manager.

With 65% of the 343 head run going to slaughter, sale price totaled $35,378.10.

Calves were off very little, mostly on quality, with better calves still bringing a good price, Clemons said.

Bruce Blount of Lake Placid and Pompano topped the market with a $36.50 calf.

A Roster that reads like Who's Who in Florida Sugar will attend a meeting in Miami Monday.

"This meeting," said County agent, John Causey, will determine if the sugar growers acreage allotments will be cut."

The final decision for acreage allotments will be made by the United States Secretary of Agriculture but this meeting will provide recommendations for this decision, Causey said.

In official lingo, the U. S. Department of a Agriculture announced that an informal public hearing would be held Wednesday in Miami Beach to receive views and recommendations with respect to establishing farm proportionate shares (acreage allotments) for the 1968 sugar cane crop in the Mainland Cane Sugar Area (Florida and Louisiana).

"Representatives of the Florida Sugar Cane League & representatives from the Louisiana sugar industry have been meeting to see if a unanimous agreement can be worked out as to the acreage level to recommend to the Department of Agriculture at the hearing, said the Florida Sugar Cane League, Newsletter distributed May 5.

Sugar production from the restricted 1966 crop amounted to 1,214,000 tons, consisting of 562,000 and 652,000 tons, raw value, respectively, in Louisiana and Florida. The total production exceeded that of the 1965 crop by 110,000 tons although grown on approximately the same level of acreage. The Jan. 1, 1967, effective inventory (sugar on hand plus production after the first of the year from the 1966 crop) was 782,000 tons, or 114,000 tons more than a year earlier.

Production from the restricted 1967 crop is expected to exceed the 1967 marketing quota for the area by 75,000 to 100,000 tons. Thus, the effective inventory on Jan. 1, 1968, is currently expected to be of the order of 850,000 tons or slightly higher. This would be equal to about three-quarters of that year's quota.

To avoid a further accumulation of sugar supplies in excess of quota and carryover requirements, careful consideration must be given to the acre age which may be provided within proportionate shares for the 1968 crop.

Marketing of sugarcane for the production of sugar from acreages within individual farm shares is one of the conditions producers must meet ot qualify for Sugar Act payments.

Total quota for the Mainland Cane area is 1,100,000 tons, the Florida Sugar Cane League Newsletter reports. Although the yield for 1966 and 1967 crops varied greatly, acreage was approximately the same as in 1966. Acreage for Florida totals 198,000 and for Louisiana, 317,000 acres.

"Marketing allotments," the Newsletter continues "for 1967 for Mainland Cane processors were revised upwards on Apr. 14, 1967. The increase raises total sugar allotments for all factories to 1,045,932 tons of 95% of the area's basic quota of 1,100,000 tons. Temporary quotas totaling approximately 880,000 tons, or generally an allotment for each process equal to 80% of his 1966 quota, have been in effect since Jan. 1, 1967.

"The U. S. Department of Agriculture on April 19 increased the amount of foreign sugar permitted to be brought into the United States. The increase marked the third time this year that second quarter quotas have been increased. It now stands at 1,225,000 tons.

The decision growing out of this meeting is critical to the Glades area.

## Teachers Take Library Course

A course on Introduction to Library Materials began on May 4 for Palm Beach County school teachers, at Lake Worth High School. Classes are from 4 p. m. to 7 p. m. Thursdays and Fridays, and the instructor is Mrs. Lucille Smith.

Confirmation for this course has been received from the University of Florida, Mr. Fulton said, and there will be charged a fee of $42.

## Herman Stanley Killed Saturday

Herman Stanley, 55, was shot to death at his home Saturday.

Stanley lived at 1749 Palm St. in Chosen.

Being held in the slaying and charged with second degree murder is Elon D. Alford, 62.

The gun battle ended in the death of Stanley and the wounding of Delton Alford who was released after treatment at the Glades General Hospital.

Delton Alford, son to Elon D. Alford and Dennis Alford, also a son, with the wives of the sons were at the Stanley residence when Stanley returned home early Saturday afternoon.

The argument between Stanley and the senior Alford has been going on for at least three years over the opening of a right of way through the

Stanley property. The two parties had met with Judge Tyson at the Glades Office Building Friday in an attempt to settle the dispute.

Stanley was born Oct. 11, 1911 in Hills Station, Virginia and has made Belle Glade his home for the past 33 years. He was the owner and operator, with his wife, of Stanley's Restaurant at Chosen.

Survivors include his widow, Mrs. Louise Stanley, son, Danny Stanley, both of Belle Glade.

Danny Stanley is a patrolman with the Belle Glade Police Department.

Also surviving are two sisters, Mrs. Maude Starling of Clewiston and Mrs. Cornie Brewer of Belle Glade.

Services were held Wednesday at the Chosen Missionary Baptist Church, which Stanley attended. Rev. Carl Garnett officiated.

Pallbearers were Fritz Stein, Asbrey Farmer, Cullie Collins, Charles Goodlett, Paul Miller, Lamar Hilyer, Herman Whaley, Billy Cowart and Calvin Lockwood.

Interrment was at the family plot in the Roselawn Cemetery at Clewiston.

Mixson Funeral Home had charge of arrangements.

## Six PBJC Glades Students Graduate

Six students from the Glades were among the 356 Winter Term graduates at Palm Beach Junior College to be awarded Associate in Arts Degrees Friday evening.

Five of the six were from Belle Glade: Maria Dolores Espallargas, Ofelia Sanchez Hayes, Joan Inlow Hylton, Franklin Arnold Shutts and Guy Charles Wilson.

Joyce Bowen Repper, of Canal Point, was the sixth Glades area graduate to be awarded a diploma by Dr. Harold C. Manor, PBJC president.

The graduates marched in traditional midnight blue caps and gowns, with the faculty also in full academic regalia in commencement exercises held in the college gymnasium.

Dr. John E. Champion, president of Florida State University, was the commencement speaker.

## April Is Driest Month

April, 1967, is the driest month on record in the sugar cane area of south Florida, said G. N. Pitzen, Meteorologist for the United States Sugar Corporation, Clewiston.

Pitzen's information was reported by the Florida Sugar Cane League Newsletter.

Pitzen's records, the Newsletter said, "shows the area around Lake Okeechobee received an average of only .03 to .04 inches of rainfall during April. The normal expectancy (30 year average) is somewhere between 3.3 and 3.5 inches for April.

"In addition to the extremely dry April, rainfall during March was also considerably below normal.

"As a result of this dry weather, cane growth has been slowed during the first few months of the growing season. Several farmers report, however, that much of the cane has stooled quite well and that stands are on the average quite good."

### STREET SIGNS

*Street signs were recovered from a hut built by neighborhood boys by Det. E. J. Chisholm of the Belle Glade Police Department. The boys have been turned over to juvenile authorities.*

## Mrs. Eva Harris Pioneer Resident Buried Monday

Mrs. Eva Ellen Harris, 88, a pioneer resident of Belle Glade, passed away Friday, May 5 at 8 p. m. at Lake Park, Fla. She had made her home at 113 Avenue A, Belle Glade for many years.

Well known and loved by oldtimers and business people in the area, Mrs. Harris was a familiar figure about town two or three times a week, taking care of her business rentals and shopping, until she became inactive.

A native of Des Moines, Iowa, she came to Belle Glade in 1926 with her family. Her husband Herbert John Harris passed away in 1958. She was a member of Everglades Presbyterian Church.

Survivors include three sons, Francis Harris, Belle Glade; Wendell Harris, Pahokee, and Douglas Harris of Daytona Beach; two daughters, Mrs. Marjorie O'Neal of Palm Beach and Mrs. Lucille Rust of Ames Iowa; 12 grandchildren and six great grandchildren.

## VOWS SAID IN CANDLELIGHT CEREMONY

An impressive double ring ceremony Sunday, May 7 in Community Methodist Church Belle Glade united in marriage Miss Robin Ann Thomas and Thomas Harley Hollingsworth, Dr. Sidney H. Davies officiated at the 3 p. m. ceremony.

The bride is the daughter of Mr. and Mrs. C. A. Thomas of Lake Harbor. She is a graduate of Belle Glade High School and of George Tanner's Beauty Academy of Lake Worth. She presently is operating Robin's House of Beauty, Inc.

The bride groom, son of Mr. and Mrs. T. E. Hollingsworth of Belle Glade graduated from Belle Glade High School and attended Palm Beach Junior College. He is employed by the Florida Power & Light Co.

The chancel was banked with palms, lighted by Cathedral candelabra. Victorian arrangements of mixed spring flowers enhanced the elegant simplicity of the altar and were repeated in the narthex. The family pews were designated by May baskets of miniature mixed flower arrangements.

Mrs. Karen Corbin played the traditional wedding music and accompanied Miss Catherine Smith, soloist.

Given in marriage by her father, the bride wore a gown of off white shantung linen, with a princess lace cuffed neckline and short sleeves. The chapel train extending from the shoulders was accented on the sides and the base with matching lace. Her bouffant veil of illusion was topped with a princess lace matching bow. She carried an Edwardian bouquet of white roses and stephanotis.

Miss Molly Thomas, sister of the bride was maid of honor and Miss Linda Hollingsworth, sister of the bridegroom was bridesmaid. They wore gowns of Azalea pink linen fashioned with high empire bodice, tiny cap sleeves and a soft panel back with triple bows. Their matching pink Azalea short veils were topped each with a large rose. They carried Edwardian bouquets of pink sensation roses and miniature pink carnations.

Jerry Frier served as best man. Ushers were Petie Kirchman, Carlos L. Reynolds, brother-in-law of the bride, Englewood, Fla., and Mike Day.

For her daughter's wedding Mrs. Thomas chose a light pink A-line silk linen dress, styled with a lace bodice. Mrs. Hollingsworth, mother of the bridegroom wore a three piece light pink silk suit. Both wore corsages of white miniature orchids.

*MR. AND MRS. HARLEY HOLLINGSWORTH*

The reception was held at the home of Mr. and Mrs. C. A. Thomas in Lake Harbor. Mrs. Georgiann Thomas and Miss Billie Graber assisted. The table was covered with a hand made lace cloth, made by the bride's mother. A silver bowl held an arrangement of butterfly roses, Margaret daisies and gysophilia. The five tiered wedding cake was topped with a miniature bride and groom. The drawing room and family rooms were decorated with white spring flowers.

Guests were present from Arcadia, Englewood, Ft. Myers, Sarasota, Miami, Immokalee, Ft. Lauderdale and Pittsburg, Pennsylvania.

The couple left immediately on a wedding trip to North Carolina and will reside in Belle Glade on their return after May 16.

## Woman's Club Seats Officers

Mrs. Lloyd Benson, District 10 director of PBC Federation of Women's Clubs was stalling officer at the installation ceremony of the Woman's Club of Belle Glade. The covered dish luncheon and the installation was held at the Civic Center at 12 noon last Thursday.

Officers were presented yellow corsages. Installed for the new year were President, Mrs. Guy D. Wood, Jr.; 1st Vice-President; Mrs. Terry Miller; 2nd Vice-President, Mrs. Bernard Painter; Recording Sec., Mrs. Tevis Huguely; Corres. Sec., Mrs. J. A. Winchester; Treasurer, Mrs. Newel Gaskill.

The new president presented the outgoing president Mrs. S. N. Knight, with a gift from the club and she in turn received the gavel.

Mrs. Hugh Branch of Pahokee entertained by singing three numbers: "People" "I'm Always Chasing Rainbows" and "I Found What I Wanted." She was accompanied by Mrs. Lou Bailey.

The tables were covered with blue clothes and decorated with white and yellow daisies.

Co-chairmen for the event were Mrs. Murray Weeks and Mrs. Robert C. Lee.

This meeting concluded the last meeting of the current year. The club will recess until the month of October.

## Alred-Parrish Vows Exchanged

In a double-ring ceremony at St. Peter's Lutheran Church Friday, April 28, Miss Elizabeth Dale Alred became the bride of Robert C. Parrish. The Reverend Richard Y. Rose man officiated at the service which was attended by only the immediate families.

The bride, daughter of Mr. and Mrs. Clyde T. Lamb, of Belle Glade was graduated from Belle Glade High School and is presently employed at Glades Chevrolet Company.

The bridegroom, son of Mrs. and Mrs. Clyde Parrish, 508 N. E. 3rd St., Belle Glade is a graduate of Belle Glade High School and attended Florida State University and Palm Beach Junior College.

The couple was attended by Mrs. Carlos Pena of Belle Glade as matron of honor and Daryl C. Parrish of Belle Glade as best man.

After a brief wedding trip the newlyweds are residing in Belle Glade.

## Garden Study Club To Install Officers

The Garden Study Club will meet in McDonald Park recreation center at 9:30 A. M. Friday. Mrs. Howard Lamb will preside.

## Vows Exchanged In St. Benizi Catholic Church Saturday

In a 12 o'clock P. M. ceremony May 6, at St. Philip Benizi Catholic Church, Miss Anna Marie LaChance became the bride of Mr. Jack Owens Sipperley.

The double-ring vows were exchanged with the Rt. Reverend Msgr. Jose Juaristi officiating. The altar was graced with palms, and twin arrangements in gold vases of white stock. Iris and spider chrysanthemums were placed with three branch gold candelabras and white burning tapers in front of each arrangement. Each pew was roped off with roped smilax and individual smilax garlands to the floor.

Mr. Stan Doyle was organist and Miss Sue Ann Jamerson soloist sang "Shubert's Ave Maria" and "Panis Angelicus."

The bride is the daughter of Mrs. Peter J. LaChance, and the late Mr. LaChance 554 S. E. 2nd St. She graduated cum laude with a BA in Mathematics from Florida State University, where she was a member of Delta Gamma Social Sorority; Garnet Key, and Pi Mu Epilson Math honorary. She was also Commander of Angel Flight and Sweetheart of Pi Kappa Phi Fraternity.

The bridegroom, son of Mr. and Mrs. F. G. Sipperley, 1134 Locust St., West Palm Beach, was graduated with a BS in Biology from Florida State University. He was a member of Alpha Council, and elected to Who's Who in American Universities and Colleges; was president of Pi Kappa Phi Social fraternity; and was a Distinguished Military graduate and received his 2nd lieutenant bars upon graduation. He will continue his studies at the University of Miami Medical School.

Given in marriage by her uncle, Joseph Murphy, the bride wore an ivory silk peau de soie reembroidered Alecon lace gown, fashioned with a fitted empire bodice, high wedding ring neckline edged in hand clipped appliqued lace. The long lace sleeves were fitted to a point on hand. The A-line floor length skirt designed with a detachable aisle wide train fell from the empire line in a Watteau effect. Her match ing lace high crown held the full aisle wide illusion veil of pure silk that extended beyond train and was appliqued in hand clipped motifs. She carried a Cathedral bouquet of Shooting Star Orchids and Lily-of-the-Valley entwined with open pearl leaves.

*MRS JACK OWNENS SIPPERLEY*

Mrs. Darry Wood of Tallahassee was matron of honor in a floor length gown of French mint chiffon, styled with a semi-fitted bodice in new empire line and elbow sleeves accented in matching lace. The full chiffon cage back fell in mantel effect from the shoulders. Her small headpiece was of fluted matching fabric. She carried a cascade of white margaret daisies and statice in lemon yellow.

Bridesmaids Mrs. Michael Shea, Chicago, Illinois, Miss Carol Naughton, Madison, Fla., and Miss Patricia Goddard of Tampa wore gowns the same as the honor attendant. Their flowers were cascades fashioned like the matron of honor with white Margaret daisies and baby breath.

Sheila M. Cream and Suzanne D. Cream, Indianapolis, Indiana twin cousins of the bride were flower girls. Their dresses were miniature duplicates of the honor attendants dress. They carried pearlized white baskets filled with rose petals, with cascades of da isies attached to handle.

Mark Sipperley, the groom's brother, from West Palm Beach was best man. Ushers were Gerard Chmielewski, West Lallis, Wisc.; Lester Kany, Madison, Fla.; Paul Regens, Ft. Lauderdale.

For her daughter's wedding, Mrs. LaChance wore a horizon blue lace-yoked silk dress with matching accessories. Mrs Sipperley mother of the groom wore a pale pink bouclay and ribbon knit dress with white peau de soie accessories. Both mothers wore white orchid corsages.

*RECEPTION*

A reception was held at the Holiday Inn. Debbie Sipperley kept the guest book. The receiving line was roped off with standing brass p e w markers, draped with gold rope and holding majestic daisies. Each brass stand held a bridesmaid bouquet. In the reception hall each individual table for eight, held a centerpiece of roped smilax centered with burning taper and daisies. The parent's table was graced with a silver footed compote and arrangement of stock, white iris and tulips on a green tablecloth. The bride's table covered with a floor length cloth of green with tulle overlay was flanked at each end of the table with five branched candelabra with epergne holding stock, iris, tulips in cascading arrangements with bride bouquet in center. The cake was five tiered columated with green mint sugar grape clusters, cherubs and topped with green cattleya Orchid.

Guests were present from Nashua, N. H., Indianapolis, Ind.; Kentucky, Atlanta, Ga., Illinois, New Jersey, Ohio, Rhode Island and California.

After a wedding trip to Bermuda the couple will be at home May 15 in Coconut Grove, Florida.

## Martin-Reed Rites Solmenized

Miss Karen Louise Reed of Pahokee, became the bride of Kenneth Ray Martin of Belle Glade in a double ring ceremony at the First Missionary Baptist Church of Chosen on April 28 at 7 p. m.

The bride is the daughter of Mr. and Mrs. Eugene H. Reed, Sr., of 372 Annona Ave., Pahokee. She is a graduate of Pahokee High School, in 1964 and is presently employed by Gorham Coastal Motors, Belle Glade.

The bridegroom is the son of Mr. and Mrs. H. J. Martin, Tabit Rd. Bettle Glade. He graduated from Belle Glade High School in 1962 and is employed by GAC Finance Co., Belle Glade.

Rev. Carl Garnett, pastor, officiated.

Mrs. Garnett played traditional wedding music including the wedding march. Gracing the table in front of the podem was a floral arrangement.

Given in marriage by her father, the bride wore a two piece jacket dress of mortar satin with beige accessories. Her pillbox hat held in place a short veil. She carried a cascade bouquet of small white carnations.

Mrs. Bobby Haggins, sister of the bride was matron of honor in a blue linen sheath. She carried a cascade of blue carnations.

James H. Martin was best man. Ushers were Bob Carswell and Tommy Mann.

Mrs. Reed, mother of the bride wore a lime green dress with white accessories and a yellow carnation corsage. Mrs. Martin was attired in a blue silk print dress with white accessories and a pink corsage.

The reception was held in the church social room. Assisting were Mrs. John S. Bacon, who kept the bride's book, and Mrs. Collie Colton and Mrs. Lois Arnette served refreshments. The bride's cake was three- tiered with doves holding up each layer and topped with bride and groom.

## Personals

Mrs. Darry Wood and daughter, Lynette, of Tallahassee were guests of her mother Mrs. Beulah Stone during the past weekend. She was matron of honor in the LaChance-Sipperley wedding on Saturday.

## Glades Youth Sing Out

Sing out Glades, a group of YOUNG people and the young at heart, presented a show here Monday.

The show was presented in conjunction with the National Cast who, returning from Panama, stopped over in Belle Glade Monday.

The group, its hopes and ideals, is alive with ideas for a better world. They are just organizing and preparing themselves to fight for what they believe is right.

The Glades cast story can be told in verse, written and put to music by a local member, Frankie Fernandez.

We're the youth of the world today,
And we won't wait to tell you what we've got to say,
We are working for the good of all,
But we can't do our work without the help of you all.

* * *

With our spirit and our hearts,
We tour the world to make better people in the kids of today.
With the message which we carry in our song,
We make better leaders for the world that is to come.

* * *

It's honesty, it's purity, unselfishnes, and love,
We believe are the four main goals in the life which we live
So help us to make this world a better place to live in.

* * *

With the help of God our Lord
We're bound to win.
Help us with our job to which we all have held,
Help us take the truth to the youth around the world.

Sing Out Glades will hold a council meeting at 6:30 and a rehearsal at 7:30 Monday. Applications for Sing Out membership are being accepted and everyone is invited to attend.

## Civitans Elect Officers

*Dick Murray, President-elect give visitation trophy to W. S. Burr, President.*

Proceeds from a Gas-O-Rama held by the Civitan Club of Belle Glade were donated to the Library Fund Tuesday.

The club was the first civic organization to contribute to the Library Fund Drive in November of last year when they contributed the proceeds of their 1965 Gas-O-Rama. This year's donation totaled $144.10.

The club also donated $100 to the Comprehensive Mental Health Clinic to be build in West Palm Beach with federal aid if the funds can be raised by June.

The Civitans pumped about 2,500 gallons of gas and washed 250 windshields to raise the $144.10 donation to the Library Fund Drive.

Richard G. "Dick" Murray, President Elect of the Belle Glade Civitans, brought home the Area III Visitation Trophy from Civitan International Florida District Convention held in Hollywood.

The visitation trophy, one of three awarded in Florida, was won by the Belle Glade Club in a contest to promote inter-club exchange.

Other officers taking office in July will be, First Vice President, Joe Clayton, Second Vice President, Paul Vonderchek, Secretary, William W. "Billy" Deen, Treasurer, Robert Connally and Directors, Harry Davis, Kenneth Lutz, Dave Gardner, Theron Caselman and Myron Ludlow.

The club is planning a deep sea fishing trip for members and guests to be held May 19.

—Last year, in the period January-December, 1966, there were 3,337 deaths reported in Palm Beach County. These deaths were caused from all types of diseases, by accidents and miscellaneous causes.

Of this total number of deaths, cancer was the cause of more than 19 per cent of them — taking the lives of 619 citizens of Palm Beach County.

## Jean Rainbow Will Address Witness Assembly May 14

36 delegates from this area are anticipating the Christian assembly in Naples May 12-14, according to Jean C. Rainbow, presiding minister of the local congregation of Jehovah's witnesses.

The theme will be "Add to our Faith, Endurance." "Lack of faith," Rainbow said, "is evident today, not only here but all over the world. The convention will spell out clearly what part the individual has in building faith." Bible talks, Bible demonstrations, and panel discussions will highlight the theme.

Seventeen congregations of Jehovah's witnesses from Fort Myers to Naples on the west coast and from Vero Beach to Boynton Beach on the east coast will participate in the 3-day seminar.

Jean C. Rainbow will address the 900 expected conventioners Saturday at 9:00 a. m. on the topic, "Let Your Light Shine before Men." Two other delegates from this area are expected to have a part in the program. They are: H. Rainbow and G. Hair, Jr.

The seminar will begin Friday at 6:45 p. m. and end Sunday at 3:00 p. m. with Bruce Giffin, district director for the congregations in the southeastern division of the United States; narrating an unusual film entitled, "God Cannot Lie." Everyone is invited to the free showing of this film as the other sessions.

Meetings will be cancelled here at Kingdom Hall, 1648 S. E. Avenue G, Belle Glade, during this weekend while the assembly is in progress at Naples High School, 22nd Avenue North and 11th Street North.

## Church Honors Mothers Sunday

*CELEBRANDO SU CENTENARIO*

El pasado sabado tuvimos la alegria de un infrecuente grato acontecimiento, Celebrar el centenario de una persona querida. La Sra. Juanita Triana, Viuda de Grau, cumplio cien años de edad el dia 6 de Mayo de 1967. Es raro privilegio acercarse y hablar a una persona que ha recibido de Dios la gracia especial de una larga vida y verla rodeada de varias generaciones de descendientes, atildada y quieta, con su mirada de anciana mirando hacia dentro a sus largos recuerdos, brillando con una chispita al reconocernos en su saludo y decirnos alguna frase que nos sorprende y regocija por su viveza e ingenio. Dios la bendiga..

Sus hijas Margarita y Evangelina Grau recibieron en su residencia de San Marco Island, en Miami, a su familia y amistades para festejar a Mamaita. Tierna y emotiva celebracion centrada en un acto de gracias a Dios en misa dicha a por el Rev. Padre Richard Chisholm en los jardines de la casa por permiso especial del Vaticano, recibiendo Juanita la comunion y especial Bendicion Papal que el Santo Padre le otorgo con motivo del cumpleaños.

Es curioso leer su Partida Bautismal, copiada en el recuerdo que recibieron los asistentes:

*"Presbitero D. Hilario Roldan Cura por S. M. de la Parroquia de Ingreso de San Juan Bautista de Lagunillas, certifico: aue en el libro 19 de bautismos de blancos a folio 64, numero 194, esta la partida siguiente*

*Lunes veintisiete de Mayo de mil novecientos sesenta y siete. Yo Phro. D. Hilario Roldan Cura Por S. M. de la Parroquia de Ingreso de San Juan Bautista de Lagunillas bautice solemnemente a una niña que nacio el dia seis de Mayo del mismo año, a quien puse por nombre Juana Maria, hija legitima de D. Pedro Triana y Da. Antonia Hernandez naturales y vecinos de esta feligresia. abuelos paternos ..D. Pedro y Da. Luisa Hernandez. Maternos D. Pedro y Da. Rosario Muñiz. fueron sus padrinos los esposos D. Jose Antonio Zaporta y Da. Josefa Triana. a quienes adverti el parentesco espiritual, y demas obligaciones contraidas y lo firme Hilario Roldan.*

*Es copia. Lagunillas diecinueve de Enero de mil ochocientos sesenta y nueve."*

Presentes en la celebracion estaban Mimin y Pedro Grau, Manuelita y Luis Grau, Nenita y Luis Santeiro Manon y Guillermo Rodriguez, Emilio Bacardi y Sra., Nena Bacardi Vda. de Rodriguez, la Sra. *FALLECIMIENTOS*

EN MIAMI — Hondisima pena causo la muerte accidental del niño de nueve años Lazaro Peiga, que fallecio en el Jackson Memorial Hospital, despues de haber sido alcanzado en la cabeza con una pelota, cuando presenciaba con sus amiguitos un partido de baseball, Era hijo del Sr. Sergio Peiga y Sra.

Pena igual produjo tambien la semana anterior el accidente en que el joven de 16 años Carlos Hevia fallecio al tomar parte en un juego de baseball despues de chocar con otro jugador. La causa de su muerte creian se debiá a un colapso producido por el choque.

Penas tan grandes para los padres, a quienes deseamos hacer llegar nuestras sentidas condolencias.

*Emilio Martinez*

Lo felicitamos.

## De Interes En El Glades

SECA EN LOS GLADES— Por primera vez durante un periodo de 42 años, en los records del Everglades Experiment Station anotaron un mes de Abril sin ninguna lluvia. Las ultimas lluvias tuvieron lugar en Marzo 29, habiendo bajado el nivel del Lago Okeechobee mas de un pie.

Se temio que la seca y el sol caliente afectaria los productos agricolas pero hasta ahora poco ha sido el daño a las siembras.

A los pescadores y los botes en el Lago Okeechobee se les recomendaba asegurarse de mantenerse en los canales si no estaban familiarizados con el area, para evitar accidentes en bajos fondos.

En Palm Springs se pidio a los dueños de casa que regularan sus regadios, para no tomar demasiado de la capacidad del acueducto, pero solamente en areas aisladas de la ciudad sufrieron mas baja presion de agua.

* * *

El Gobernador Claude Kirk de la Florida, el pasado sabado hizo una inspeccion personal por los Everglades para conocer los efectos de la sequia.

Declaro que los miembros del Central & Southern Flood Control District estaban haciendo todo lo posible por mantener la elevacion del agua en el Glades. El nivel del agua del Lago Okeechobee era tan bajo que no podian garantizar salida del agua para el Everglades National Park.

*COLEGIALES*

## Girl Scouts Get New Campsite

Girls Scouts have received the "key" to a new campsite that ofers both the primitive past and a nuclear future.

Florida Power & Light Company donated the three-acre campsite located at its Turkey Point tract, about 25 miles south of Miami, where Florida's first nuclear generating units are slated for operation in 1970 and 1971.

Located on Buttonwood Beach north of the new Turkey Point power plant on Biscayne Bay, the camp can accommodate 60 campers at a time. A Council Building with a fireplace inside and a barbecue pit outside is at the center point of the camp.

The camp, which will be controlled by Scout officials features a sand-covered tent area, a swimming area and sandy wading beach. Also available within the 3,000-acre Wild Life Refuge are several miles of natural creeks and man-made canals for canoe trips and more than five miles of nature trails.

The Game and Fresh Water Fish Commission warns hunters and sport shooters to be sure of the target before pulling the trigger.

Las oficinas del Dr. Guerrero estaran cerradas de Mayo 13 a Mayo 21, ya que el Dr. Guerrero se encontrara atendiendo una CONVENCION MEDICA.

Las oficinas volveran a abrirse el lunes 22 de Mayo, 1967.

## Elections?

Who did we elect and why?

How should the students know, Nobody was paying much attention. Campaign signs were used for floor beating, catcalls continually disturbed the campaign speeches and disrespect in the form of boos and hisses was the order of the day. And . . . to top it off, the seniors, who had no voice in the election, no stake in the student government next year, were the worse offenders!

Belle Glade High School, as a result, next year will have a student government elected in mass confusion, a poor start for an important function.

## Seniors Make Final Plans

The senior class met last Tuesday morning to make graduation plans and to discuss the coming events for the few remaining weeks of school.

Graduation announcements have arrived. Their arrival marked the final round before graduation exercises for the seniors.

Mr. Morris had previously discussed senior privileges with the faculty and announced these privileges to them at the meeting. A "dress-up" day and a "slop" day have been given in hopes that all seniors will participate. After taking a semester exam, each senior may leave the campus if he feels he does not need the review for his next exam. Those seniors with an "A" average in any subject is exempt from taking that exam at the end of the semester.

Each year the senior class does a project for the school. A final decision for this year's project had not yet been made; Mr. Ward has mentioned that DCT would really like to have an air-conditioner. Other suggestions were to donate money to the new athletic program, to place a sign on the gym wall, and to build a fountain for the school. A printing press for the Journalism class and an air-conditioner for the library were also suggested. All these will be considered as possible projects. Ten students volunteered to choose a small number of ideas for a prospective project. Then the entire class will decide its project from among these suggested ones.

A reminder was made that only seniors and faculty are invited to the banquet, May 19. Only sophomore girls and boys from BGHS can be invited to the Prom; they will be helping with the banquet. Out-of-town dates must be registered by May 12. Senior girls will be allowed to leave school the day of the Prom for hair appointments; boys can also leave if they have hair appointments!

Preparation for class night is underway. Definite plans have not been made yet. Speakers are Janice Blumenthal and Karen Dexter. Karen and Sherri Burgess are the top two students out of a class of 110 students. Both have maintained higher than an 3.7 record and are challenged to a 4.0 record for the end of the year.

The three remaining weeks of school are crowded with many events for the graduating seniors.

Over 300 Attend

## FFA Banquet Is Great Success

The Future Farmers of America presented their annual Parent-Son Banquet last Friday, May 5. The banquet was held in the high school cafetorium.

Opening the evening was Toastmaster Don Campbell. Don is also President of the local chapter. The entire group present was asked to join with the Future Farmers in singing "America." Afterward; the invocation was given by the reporter of the chapter, Paul Anderson.

The officers of the club then gave their traditional opening ceremony. In this ceremony the officers give the motto, the purposes of the club, and the responsibilities of the offices they hold.

Stephen Butler, vice-president, gave the welcoming address. He greeted all the parents, their sons, the members of the agriculture advisory council, the past presidents, and the other guests present.

The meal was served by FHA girls who volunteered to help their brother club. A menu of orange juice, salad, ham, green beans, corn, baked potatoes, and strawberry shortcake was placed before the 300 guests.

Jimmie Sullivan, sentinal, introduced all the guests and added the club's "Thanks" for everyone's attendance. Don Campbell then presented the club's Sweetheart, Miss Aggie Gressinger.

Honorary Degrees were presented to outstanding men in the community by the chapter officers. Then the advisors of the FFA chapter, Mr. Sam Lovell, Mr. James Goza, and Mr. Allen Belk, distributed to deserving members of the club the chapter awards.

Don Campbell was chosen as Star-Farmer by the advisors this year. To be chosen as a Star-Farmer a boy must be an outstanding farmer. He must be of good moral character and work well with the club.

## STUDENTS OF THE WEEK

### Danny Davis

This year's cutest senior boy is Danny Evans Davis. Besides winning this superlative, he is active in Junior Civitan and has participated in both football and track for two years.

While playing halfback, Danny separated his shoulder and was unable to play in five games. Overcoming this mishap, he returned to playing fine football and was named "Player of the Week."

Danny was born in Cullman Alabama, but has lived in Belle Glade for fourteen years. After graduation he plans to attend Palm Beach Jr. College and eventually become a conservationist. When asked about his coming graduation, Danny laughed and said, "Glad I've finally made it!"

Danny's favorite pastimes include: Swimming, camping, fishing and telling clean jokes.

His father is a letter carrier at the post office and his mother is a telephone operator. There are four children in the Davis family. His older sister, Diane, is a 1965 graduate of B. G. H. S.

### Jane Zumpf

The youngest member of the Senior Class is Jane Zumpf. She is kept quite busy with her many school and outside activities. Jane was President of F. T. A. this year, and a member of Beta Club and Pep Club. In the Journalism Class, she holds the office of Business Manager, while also working as a member of the RAMPAGE Staff. Jane has also been secretary of Episcopal Young Churchman for five years. For her high scholastic standing, she was among the top Juniors to be awarded the University of Florida Scholastic Achievement Award. This year, Jane stands among the Senior honor students.

Sewing, playing tennis, participating in Rainbows, and writing to 20 different pen pales keeps Jane pretty well occupied during her free hours. Being secretary of 'Sing Out Glades' also takes up much of her spare time.

Jane has many plans for the future. She is going to first attend Mercer University in Macon, Ga., and work towards her masters in elementary education. Then she would like to become an airline stewardess, tour the world, and put to use her masters in elementary education as a private tutor for someone in Europe. Finally she would like to return to the States and begin her plans for marriage.

There is one main pet peeve that really bothers Jane and that is "Status-Seekers." She said "I love Perry Como" and her favorite song is his "Portrait of my Love." She also likes all kinds of sports, but baseball is her favorite. Jane can some times be seen driving a '66 Chevy Impala; but she would like to own a Jaguer XKE.

Jane is the only girl in a family of six. Her father is a general contractor for Zumpf Construction Co. She has one older brother, Mike, who is in the Navy and serving in the South China Seas presently. Her two younger brothers Bill and Tom attend B. G. Jr. High.

## Who Knows The Theme?

Lately it has not been uncommon to hear a senior ask, "What's the theme of the prom?" (Heh, Heh, Heh.) Yet no one seems to know for sure. (Rome Adventures anyone?) The prom will begin at 9:00 p. m. May 19. Preceding the prom will be the banquet, beginning at 8:00 p. m. Following the prom will be the breakfast at 1:00 a. m. After 1½ or 2 hours of sleep the most of the couples will head for the beach in hopes of finding one deserted.

## Marilyn And Kathy Elected By County

At the end of the second annual banquet of the Palm Beach County Future Teachers of America (FTA), Marilyn Stokes, was elected president and Kathy Morris was elected secretary of the organization. This is only the second set of officers in the newly formed county chapter.

The banquet was held Friday, April 28 at Stouffer's Restaurant at the Town House in West Palm Beach. The meeting was called for the purpose of electing new officers and amending the constitution. There were seven schools present at the banquet.

Jane Zumpf, local president, outgoing vice-president of the county chapter gave the invocation for the banquet. She was elected last year as the organization's first vice-president.

Entertainment was provided by the Palm Beach High chapter. A singing assemble from the school chorus sang during dinner.

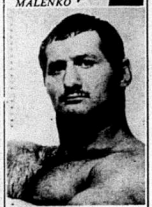

Marilyn and Kathy have many plans in store for this coming year. In August, there is scheduled a meeting to plan the years activities. A newsletter will be presented at this time with a report from each chapter in the county.

Marilyn has also been elected president and Kathy secretary-treasurer of the local chapter.

Those BGHS members attending were Doris Willits, Marilyn Stokes, Kathy Morris and Jane Zumpf. The group was sponsored and accompanied by Mr. Morris and Mrs. Laaksonen.

## S. A. Day Held Wed.

Annual Student Assistance Day was held Wednesday.

This day was set aside each year to: (1) show appreciation to the teachers for a job well done and,

(2) give all students teaching experience for one day, graduating from high school should experience.

The newly elected President of the Student Council Curtis Pierce, planned the days activities.

Each year this task is given to the president elect so that he will have some ideas of the problems involved.

## Three Hour Test Given Students

On Wednesday, May 3, the test for entrance to the North Technical Education Center was given to students who are not planning to attend college.

The test consisted of a written and speed test with scores indicating the area that was best suited for individual students.

It was given in the D. C. T. room from 10:30-2:00 P. M. by Mr. Michaels, Mr. Murray and Mr. Mack.

### Campus Highlights

The Food and Nutrition exhibit was really great.

The Seniors are making preparations for class night.

Kilup Frenney has received an issue of Who's Who in Florida Schools. It contains the name of outstanding Students in Florida Schools. The names of a few of our students are included in the book.

The Prom is next week, I'm hoping to see you there.

The Debutante's are invited to a benefit dinner on the 19th at the Holiday Inn.

The examination for the Vocational School was given Wednesday.

I'm sure the Juniors enjoyed their trip to Palm Beach Junior College.

Maggie Fuller

**175,000 MILES** (or how a DATSUN can give your pocketbook a pickup!)

A few months ago, a man came into a Datsun dealer in California, and asked his tappets be adjusted. Casually he mentioned he had 163,000 miles on his 1964 Datsun Pickup. During this time he had put in 4 charges of spark plugs, a new tire now and then and oil changes whenever he got around to it. The dealer gave his Datsun a minor tune up and some other services which cost $32.00... and made it purr like new. Today that Datsun has over 175,000 miles on it and is still going strong!

## Girls Model In County Fashion Show

Representing BGHS at the Palm Beach County Fashion Show on May 16 are Alice Halbrook, Jennie Snow, and Wanda Worthy. The show will be held at Howell Watkins Junior High School in West Palm Beach at 7:30 p. m.

Alice Halbrook will wear a long-sleeve print shift. Jennie Snow will model a 3-piece unlined seersucker unit and Wanda Worthy will model a 3-piece unlined kettlecloth unit.

Alice's dress is a FHA home project. Jennie and Wanda are Clothing and Textiles I students.

The dresses will be judged on construction and appearance.

## Open House Held Tuesday

LAKE HARBOR — An open house was held at Lake Harbor Elementary School for parents last Tuesday.

Speakers for the occasion were William Evans, director, Mass Media. Jim Froberg, utilization consultant, Mass Media and Mrs. Margaret Mosley, area Supervisor.

The cafetorium reflected gaily colored arrangements of school curriculum, from first through sixth grades, which was divided into six areas: Modern Math, Science, Health Social Studies, Language, Arts and Reading.

After a tour through pupils' rooms, parents and teachers assembled in cafetorium, where Mr. Hugh Rudder, Principal, introduced various personages.

After Mrs. Moseley gave an engaging speech on the HEAD START program, Mr. Evans talked most dynamically on the advantages of mass media proper use, stating as to the why of mass media, ". . .the double amount of knowledge about every ten years."

Mr. Froberg followed, emphasizing that ". . . . lecturing is not nearly so effective as audiovisual . . . a picture is worth a thousand words . . audiovisual is the most efficient method for teaching . . ." Some startling figures he gave were that only 1% of learning is by taste; 1½% by touch; 2½% by smell; 11% by hearing; and 83% by sight. These figures revealed to the teachers their chief weakness in their profession. He added that three centers are expected to be ready by Christmas: Boynton, Riviera Beach, and Belle Glade. His enlightening talk on materials, services, and equipment cast a hopeful atmosphere in the teaching field

TO THE CITIZENS OF BELLE GLADE:

The primary objective in the publication of this Annual Report is to keep you informed of the goals and accomplishments of your City administration. A secondary purpose is to improve the communications and cooperation between the citizens and their municipal government.

The report is published as a supplement to the Belle Glade Herald, a method which we have found to be the most efficient means of acquainting the greatest number of citizens with our yearly activities.

We, of the City Commission, fully realize the many improvements in service and facilities constantly needed in order to meet the everchanging desires and demands of a modern society.

As you examine this report, we hope you will see more clearly the progress which has been made, while the many everyday functions of a municipality are carried out under the direction and supervision of our able City Manager and Department Heads.

The cooperation, patience and understanding of you citizens, as well as all City employees, gives us satisfaction and good reason to say - thank you!

Respectfully yours,

CITY OF BELLE GLADE

# PROGRESS REPORT...

## TRAFFIC

Synchronized traffic lights were installed with County assistance, at Main Street (N. S. 441) and Sixteenth Street (SR 715) crossings of the Hillsboro Canal. These lights control four access roads to both Sixteenth Street, Main Street at Critical bridge crossings.

Off-street parking was increased by two additional leased lots located at W. Ave. A and N. W. 5th St. and at SW Ave. B and 3rd St.

The City acquired, by condemnation and gift, the alley north of West Avenue A from Third to Fourth Street. The alley was paved and opened soon after acquisition.

New reflectionized standard street signs were installed throughout the city. A sign shop was opened at the City Garage to make all custom signs for the city.

## CONSTRUCTION

The new Country Club building was completed and put into operation.

Cooking, storage and bathroom additions were made to the Marina Pavilion.

A foot-bridge crossing of canal at S. W. 12th Street was constructed with county assistance to provide additional access to Gladeview Elementary School.

## SEWER

The 1964 Sewer Extension Project was officially accepted and put into full operation.

## PURCHASED

A rock crusher was purchased so more of the rock dug would be usable and to accelerate compaction during street construction.

## CITY HALL

The city purchased property and building of Claude S. Jones, adjacent to the City Hall, and remodeled it for additional administration office space to house the offices of City Manager, City Clerk and Tax Assessor-Collector and to provide a conference room.

## SUBDIVISIONS

A considerable amount of work was done in subdivisions as follows: Steele S/D Plat two, Progressive Park Plat Two, Sugarland Heights Plat Two, Park Eloise, Sugarland Park Plat Three and Earwoods First Addition.

## RECOGNITION

The City of Belle Glade was featured in the January, 1966 issue of the FLORIDA MUNICIPAL RECORD.

The Belle Glade Marina made the front cover of the August, 1966 issue of SOUTHERN WATERWAYS MAGAZINE.

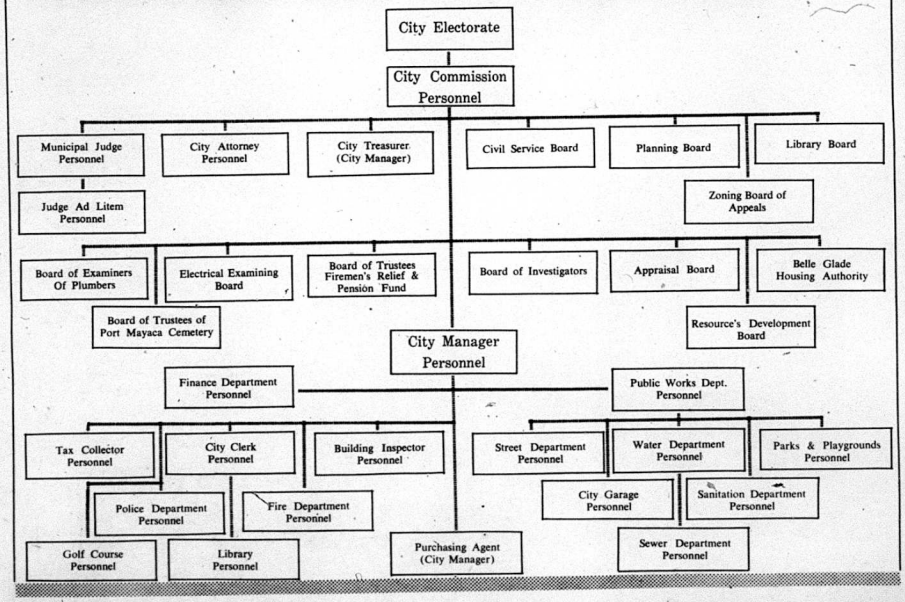

## STREETS

Six and one half miles of streets were resurfaced and two miles of new streets were constructed. Installed were: 1,317 feet of storm drains; 24 catch basions; 2,946 feet sidewalk; and 1,887 feet of curb and gutter. The street sweeper traveled 5,155 miles picking up 1,260 cubic yards of debris.
